GETTING STARTED

HOW TO PREPARE

This funeral program guide is a basic outline for writing your loved one's story. Friends and family can also be helpful in adding details in this process. Typed format is preferred, but we will also accept legible handwriting. Basic outlines for the order of service, pallbearers, acknowledgments, etc. are also included.

SELECTING PHOTOS

COVER PHOTOS: use the clearest and LARGEST photo – if possible. If you can't find one, ask around; friends and family may have an image you have never seen.

MULTIPLE PHOTOS: Identify the cover photo and give instructions for the rest of the photos, if any.

TRIBUTES / POEMS: Poems and Tributes may be included from family and friends. Submit these with the photos for our designers to determine how best to place all items.

SUBMIT YOUR ORDER

Once all text, photos and content is ready, email **(1.)** The Design Style, **(2.)** Program Size, **(3.)** Page Count, **(4.)** Quantity and **(5.)** Matching keepsakes* (if applicable*) to **orders@greatimpress.com**. Upload LARGE files to **greatimpress.wetransfer.com** or bring in person. Payment is required with order. (COVID-19 precautions, face masks required and 2 people in lobby at a time)

AFTER YOUR ORDER IS PLACED

ORDER INVENTORY: We will review your order to determine if anything's missing before we start. We will call for any needed information.

EMAILED ORDERS: You will get a reply that your order was received. If anything is missing, we will call for needed information.

OUT OF STATE FUNERALS: Inform us at time of order if traveling out of state in order to complete items in time for departure.

PROOFS: Email proofs are sent the day before the service. After review, reply with corrections and/or approval up to 3 sets of corrections at no cost.

PRINTING: Once all corrections are updated, reply "APPROVED FOR PRINT" and programs and memorial items into print production.

PICK UP: We will send an email, and call when all items are boxed and ready for pick up.

We are never prepared for death, expected or unexpected. It's a time when family members are vulnerable and emotional.

So when writing an obituary for a loved one, try using the the five L's to tell the story of their life:

What did they LOVE?

What made them LAUGH?

What is their LEGACY?

What did you LEARN from them?

How did they LIVE?
